File No. Used Motor Vehicles II/444

Form 194 a.

385-B

Office of the R.L.A.

Three revised draft notifications in place of the 3 draft notifications at page 17 are sent herewith.

2. In paragraph 5 of the copy of his letter at page 21, the Provincial Motor Transport Controller suggests in the portion marked 'A' that appeals under clause 11(4) of the Order from the orders of the Regional Controllers should be to the Provincial Controller. The H.D. has not considered this suggestion or passed any orders on it. The H.D. draft notification III at page 17, sent for R.L.A's scrutiny, provides for appeals against the orders passed by the Provincial Controller only. The revised draft notification III, therefore, provides for appeals against the orders of the Controller of the Province only.
